We would be happy to come and pick it up.

**What if**

every child fulfills his or her potential?

**What if**

every child is set on the right path today?

**What if**

every child in Canada finishes high school, goes to college or university, gets a job and gives back to their community?

**Wouldn't that be something**

Unlocking a child's true potential creates a future where anything is possible.

**What we do today makes a difference tomorrow.**
